

Welcome to Summer 2022 at the Arnprior Public Library!

You will notice our calendar lists years under the title of the program. Children born in those years are eligible to register for corresponding programs.

Beginning June 14, visit us at the library to ensure your child's library card is valid and to register your child for the TD Summer Reading Club. Your child will receive a tote bag and a password to access our ONLINE REGISTRATION. Registration will roll-out on our website on a weekly basis, beginning June 27 for the first week of programs in July. Registration is required for all programs except Friday Morning drop-ins.

Monday – Thursday Programs

ALL Morning sessions: 10am – 11:30am
ALL Afternoon sessions: 1:30pm – 3pm

A valid library card is required for all program attendance.

If your child is unable to attend a program he/she is registered for, please let us know so the space can be offered to another child. Programs are FREE, but failure to give a minimum of 24 hours' notice for cancellations will result in a \$5 fine being added to your child's membership.

Many thanks to the Scharf Family Charitable Trust and the Rotary Club of Arnprior for their continued financial support.

Join us every Tuesday and Thursday from 2-2:45pm throughout the summer for a fantastic Virtual Coding Camp. For children born in 2010-2015. This 7-week camp is offered through U Plus Education. The focus is teaching coding fundamentals to beginners, with no coding experience required. During each session, participants will be taught a variety of coding concepts to help them create their own coding projects in Python. At the end of the camp, participants will enter a friendly competition to compete for a small prize.

As of July 4, TDSRC participants can collect a coin every time they borrow five or more items from the Children's Collection using their own library card, to a maximum of one a day. Coins are also given for each program attended. Coins can be collected until 5pm on Friday, August 19.

12 coins= an invitation to our End-of-Summer Celebration on Wednesday, August 24.
