Programs are being offered at the library morning and afternoon from Monday to Friday during July and August.

Highlights include:

- a dinosaur exhibit
- CNIB dog visit
- obstacle course challenge
- art programs
- Little Ray's Reptile visit
- experience cultures from around the world and so much more...

## REGISTRATION IS FREE!

Registration opens on June 14 at the library.

Participants will receive a password to access weekly on-line registration for programs.

Participants will collect wooden coins during July and August by borrowing books and attending programs. Coins can be spent at our Library Store at the end of the summer.
